CURRICULUM VITAE

M. CHRIS OVERBY, M.D.

Office Address:	900 Northern Boulevard, Suite 260 Great Neck, New York (516) 773-7737	
E-mail:	moverby@nshs.edu	
Phone:	Office 516-773-3373	

Education-College:	Prescott College Prescott, Arizona	1969-1973 B.A. with Honors
Medical School:	Tufts University School Of Medicine Boston, Massachusetts	1975-1979 M .D.
Board Certification:	American Board of Neurological Surgery	11-7-90
Residency Training:	University of Arizona Health Science Center Residency in Surgery	1979-1981
	Mt. Sinai Medical Center New York, New York Neurological Surgery	1981-1986
Clinical Interests:	Minimally Invasive Spinal Technology Neurosurgical and Spinal Trauma	
Honors:	Listing in Newsday "Top Doctors on Long Island Listing in Castle Connoly Guide "Top Doctors in New York Metro Area	
Consultant:	Medtronic-Sofamor Danek	2007-Present
Teaching Appointments:	Clinical Assistant Professor in Neurosurgery New York University New York, New York	1995-2003

Hospital Appointments:

New York Hospital Center Of Queens Flushing, New York	Attending Neurosurgery-1987
North Shore University Hospital at Manhasset Manhasset, New York	Attending Neurosurgery-1992
Flushing Hospital Medical Center Flushing, New York	Attending Neurosurgery-1989
Franklin Hospital Valley Stream, New York	Attending Neurosurgery-1986
Long Beach Memorial Hospital Long Beach, New York	Attending Neurosurgery-1986
Peninsula General Hospital Far Rockaway, New York	Attending Neurosurgery-1986
St. John's Episcopal Hospital Far Rockaway, New York	Attending Neurosurgery-1986
Forest Hills Hospital Forest Hills, New York	Attending Neurosurgery-1998
Long Island Jewish Medical Center New Hyde Park, New York	Attending Neurosurgery-1998

Medical Societies:

American Association of Neurological Surgeons
Congress of Neurological Surgery
New York State Medical Society
New York Neurosurgical Society
AANS Joint Section on Disorders of the Spine and Peripheral Nerves

Scientific Presentations:

"Cardiopulmonary Resuscitation of the Immediate Postoperative Craniotomy Patient"
Greater New York of the American Association of Neuroscience Nurses – New York

Scientific Presentations:
(cont.)

"Autoradiographic Evidence of an Alteration in Regional Cerebral Perfusion Following Etoposide-Induced Blood Brain Barrier Disruption"
Poster Presentation, American Association of Neurological Surgeons 1986 Annual Meeting, Denver, Colorado

"Current Treatment of Spinal Metastases"
Neurosurgery Symposium
North Shore –LIJ Health System 2002

"Multilevel Cervical Discectomy and Arthrodesis for Cervical Spondylosis"
Robert Galler, DO, M. Chris Overby, MD, Curtis Dickman, MD
Volker Sontag, MD
Poster Presentation, Congress of Congress of Neurological Surgeons 2003 Annual Meeting, Denver, Colorado

Publications:

"Multiple Intracranial Aneurysms in Sickle Cell Anemia"
M. Chris Overby, MD and Alan Rothman, MD
Journal of Neurosurgery Vol 62:430-434 March 1985

"Anterolateral Decompression for Metastatic Epidural Spinal Cord Tumor – Results of a modified Costotransversectomy Approach"
M. Chris Overby, MD and Alan Rothman, MD
Journal of Neurosurgery Vol 62:344-348 March 1985

"Monostotic Fibrous Dysplasia of the Thoracic Spine"
Rosenbloom, BR, Overby, MC, Levine, ME, et al.
Spine 12 :(9), 939-942, 1987

Publications:
(cont.)

"The Steroid-responsive Hiccup Reflex Arc: Competitive Binding to the Corticosteroid Receptor?"
Rob Dickerman, Chris Overby, Mark Eisenberg, Peter Hollis, Mitchell Levine
Neuroendocrinology Letters Vol 24, Nos ¾, June-Aug 2003

"I Can Hear You Yet Cannot Understand: A Case of Pure Word Deafness"
Ella Wirkowsky, MD, Nancy Eschausse, NPA,
M. Chris Overby, MD
The Journal of Emergency Medicine Vol 30, Issue 1 Jan 2006

"Minimally invasive posterior lumbar interbody fusion with recombinant human bone morphogenic protein 2 added to bioresorbable implants: Surgical technique and clinical results"
Alexander J Scinpa, Kyle O Colle, M Chris Overby, Mark E Eisenberg, Mitchell Levine, Peter H Hollis
The Internet Journal of Minimally Invasive Spinal Technology Volume 2, Number 3 2008

"Microcytic meningioma presenting as a cystic lesion with an enhancing mural nodule in elderly women: report of three cases"
Rishi A, Black KS, Woldenberg RW, Overby MC, Eisenberg MB, LI JY
Brain Tumor Pathology August 24 2011
